

SUMMER 2018

VICTORIA DENTAL PRACTICE
INDEPENDENT DENTISTRY

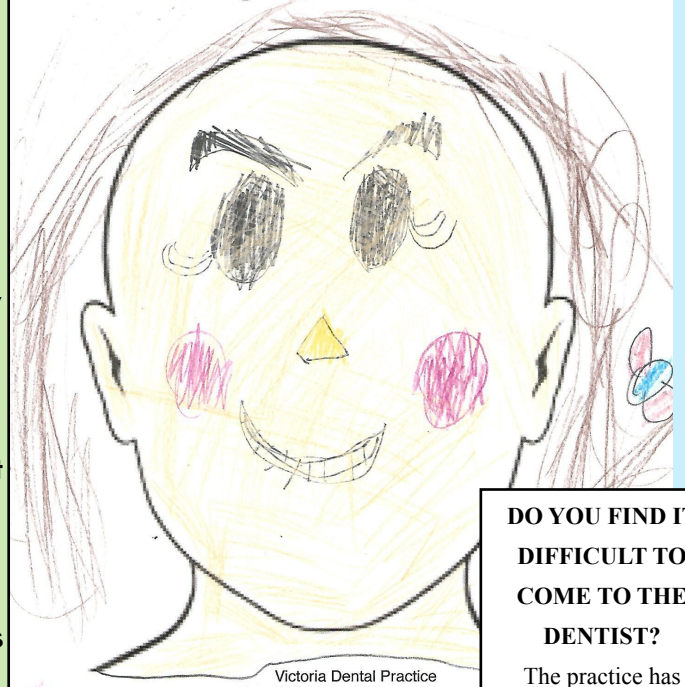

SMILE MONTH

Helen and Mel visited St Augustine's Junior School to have a couple of fun afternoons and meet with all the children, dress up, and talk to them about looking after their teeth and dentistry, and run a prize competition to draw a happy face. The very happy winner is shown here, but every child went home with a goody bag with stickers, advice, and a toothbrush. Any schools wanting a similar visit do feel free to contact Jayne. We like to help our community.

BE MOUTHAWARE:

if in doubt, get checked out
www.mouthcancer.org

DO YOU FIND IT DIFFICULT TO COME TO THE DENTIST?

The practice has available early morning and evening appointments so that you may not always need to come out of work to attend here. For any suggestions or complaints please ask to speak to Jayne Younghusband our practice manager, who will be happy to try to help you.

Our aim is to always give quality family dental care in a relaxed environment.

MEDICAL HISTORY FORMS AND CONFIDENTIALITY

We now ask every patient at every new course of treatment and exam to fill and sign a confidential medical history form with consent to hold your records. This is following General Dental Council guidelines, to ensure nothing is overlooked, Further details on our privacy policy are in reception. We have simplified our old form to help, and also have large print copies available. We realise that some patients find it inconvenient, and we apologize for this. The staff can help if needed. These forms help us identify any medical issues or disease processes, to ensure the safest treatment options for all our patients. If you arrive 5 minutes before your appointment time to do this, it will ensure that more time can be spent in the surgery looking after your teeth for you.

In our practice survey, 100% of people questioned, stated they would recommend

Victoria Dental Practice and here are some of their reasons

"The service is excellent"..."friendly helpful staff, dentist and hygienist" .. "professional relaxed atmosphere and professional treatment".."excellent treatment, and manner and expertise of dentist".."am now not nervous"..."always accommodating when making appointments, especially at short notice"..."friendly, caring, sensitive, informative"...
