Winter Advice and Christmas Opening times

As usual the practice will be open over normal working days, and there will be a dentist on-call from the practice through out the Christmas and New Year Period. We hope everyone has a lovely festive period, but if you need us we are here.

Our hours of work are:
Sunday 25th Dec - closed
Monday 26th Dec - closed
Tuesday 27th Dec - closed
28th,29th, and 30th Dec - 9am-12
Monday 2nd Jan-closed
Tuesday 3rd- open as usual

Do take care in the icy conditions and always wear headgear with bikes, rollerblades and other active xmas presents. If a dental accident occurs do contact the practice immediately, swift action makes a big difference. If an adult tooth is knocked out the following steps are recommended:

- Handle the tooth avoiding touching the root
- Remove any debris by gentle rinsing the tooth with water or milk
- Place the tooth by hand back into the socket, if possible or store in milk or saliva
- The child should see a dentist for treatment asap.

Merry Christmas from Simon and Helen and all the staff, and best wishes for a happy and healthy 2023
