For any queries, suggestions, compliments or complaints please ask to speak to Jayne Coe our practice manager who will be happy to try to help you. We also have an email contact form on our website if you have difficulty getting through on our busy phone line.

On Sunday 6<sup>th</sup> September Simon and Helen will be joining Chris Hoy's Tour de 4 fundraising cycle ride for 90km around Glasgow and its hilly countryside!

Chris Hoy's aim is to increase awareness, challenge perceptions and raise money to support cancer research following his Stage 4 cancer diagnosis. There 4 levels of difficulty and Simon has chosen for us both the hardest red route!

We support all the aims entirely and will be training hard to justify our support for **CURE LEUKAEMIA** which we chose due to family ties. We would be very grateful if you feel you can support us in this in any way. We both have **GoFundMe** pages linked with our names, to the **TOUR DE 4** event.

Alternatively if it is easier we are happy to submit it for you via our donation form through reception.

WISH US LUCK!
